

No One Is Too Small to Make a Difference

There will be many books written about Greta Thunberg, but this one is important as it allows the reader to encounter Greta in her own words. The book collects some of her important speeches, including those given at the UN, the World Economic Forum and climate rallies around the world, and in the process provides the opportunity for young people to read and feel the power of her thinking.

Author: Greta Thunberg | **ISBN:** 9780141991740 | **Publisher:** Penguin

Animal Village

This book tells a unique story that is authentic to the Zarma culture of West Africa. After reading this book, the reader will have a greater understanding of droughts and the devastation they are responsible for worldwide. This story also provides the reader with an abundance of wisdom that will benefit all those concerned with climate action. Lastly, this book will teach children the importance of hard work, determination, and never giving up when trying to achieve goals.
